Üretim Detayları

Production Details

Takım; sol kollu tekli, sağ kollu tekli, kolsuz ara tekli, kolsuz ara ikili, köşe modülü, eğlence modülü ve metal berjerden oluşmaktadır. Döşemesinde örme jarseli, lamineli, kadife dokulu kumaş kullanılmıştır. Dayanıklı yapısını iskeletinde kullanılan kayın keresteden almaktadır. 12 cm yumuşak sünger üzerine 3'lük kuştüyü sünger kullanılarak kompozit yapı oluşturulmuştur. Sırt kısımlarında büyük ana sırt yastığı ve bel destekleyici sırt minderi bulunmaktadır. Ayak aksamaları boyalı ahşaptan imal edilmiştir.

25 mm boru büküm metal konstrüksiyondan imal edilen berjerin, iç gövde iskeletinde kayın kereste tercih edilmiştir.

Corner Set consists of seven modules: left arm single module, right arm single module, armless single module, armless double module, corner module, entertainment module and metal bergere. Knitted jersey, laminated, velvet textured fabric is used in its upholstery. It gets its durable structure from the beech timber used in its skeleton. Composite structure was created by using 3 feather sponge on 12 cm soft sponge. There are large main back cushions and lumbar support back cushions on the back part. Leg parts are made of painted wood.

Beech timber is preferred for the inner body of the bergere, which is made of 25 mm pipe bending metal construction.
